

United States Department of State

Washington, D.C. 20520

MAR 6 - 2008

Dear Mr. Chairman:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to the United Kingdom to support the manufacture of the MX-10205A/GRC Appliqué. The MX-10205A/GRC Appliqué provides Electronic Counter-Counter Measure Have Quick II or Quick Fox capability on UHF radio systems. The technical data related to this Appliqué is designated significant military equipment.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner  
Assistant Secretary  
Legislative Affairs

Enclosure:

Transmittal No. DDTC 022-08

The Honorable

Howard L. Berman, Acting Chairman,  
Committee on Foreign Affairs,  
House of Representatives.
